Born the eldest of five children, Jean Steel spent her formative years in Africa and Asia. That decade on unfamiliar, foreign soil helped her to cultivate the confidence, strength, and resilience many of us work a lifetime to achieve. A born communicator, Jean's many interests developed into her career path. She earned her Master's Degree in Wellness Mind/Body Health and has been speaking and teaching across the nation for more than 20 years. The founder of Happy People Win, a wellness training and speaking firm, Jean has also authored two books— "I'd Like to Run Wild!: A Wellness Action Guide" and "Need Change? Customer Service Tips to Grow from Good to Great."
